

## All about sharks!

This week we would like you to create a fact sheet all about a type of shark. You can use the template provided on the website or you can create a poster or PowerPoint to present your work. Make sure you tell us the name of the shark, where it lives, its size, what it eats and what it looks like. Please also draw a picture of the shark. Don't forget to share your work with Mr Bleakley and Miss Boyd.
