As the rat sat calmly on the soft, green grass and looked happily across the river, a dark hole in the bank opposite suddenly caught his eye. He smiled and imagined dreamily what a warm, comfortable home it would make for an animal like himself.

Describe an animal of your choice – but follow the rules below.

- Include an adverb every time you use a verb.
- Describe how it eats and moves, the noise it makes and anything else you want to!
- Underline your adverbs.

For example: Mice eat cheese quietly. Mice run swiftly (quickly) under my table. Mice squeak loudly. Mice behave naughtily by stealing my cheese!
