

Yesterday

Rewrite this passage to explain what happened yesterday, if everything was exactly the same as today.

Every morning I get up at eight o'clock.

I have toast for breakfast.

I clean my teeth after breakfast.

I leave for school at twenty-to-nine.

We do English before break.

At break I play football.

After break we have assembly.

Next, we practise our times tables.

At lunchtime some of us go to gym club.

Yesterday I got up at eight o'clock.
