

My Favourite memory of P5

Well done, you've survived 12 weeks of home learning. This is not how any of us imagined your P5 year would turn out but we are really proud of how you have handled this challenge. This is your last literacy activity of P5 and we'd like you to think about happy moments from this year. What was your favourite moment of P5? Write about it on the template we have provided or just using a piece of paper.

Mr Bleakley and Miss Boyd are looking forward to hearing your favourite memories and we'd love you to record yourselves reading your favourite memory. Send it to us on SeeSaw or via email. We hope you have a lovely summer and we're looking forward to seeing you again when we get back to school.
