

Charlotte's Web

Listen to chapter 21 and 22 of *Charlotte's Web*. These are the final 2 chapters. Many of Charlotte's children floated away on the breeze. Imagine you are one of those spiders. Draw a picture of where you ended up. Did you land somewhere safe like a barn? Maybe you'll land by a river and catch fish in your web like Charlotte's cousin or maybe you landed somewhere dangerous. Once you've drawn your picture write a few sentences describing your new home.
