

Problems of the Day 2020

Day 8

1 Mary makes toys

- On Monday she makes 7 toys.
- On Tuesday she makes 8 toys.

By Wednesday she has to make 20 toys in total.

How many toys does Mary need to make on Wednesday?

$$7 + 8 = 15$$

$$20 - 15 = 5$$

Mary needs to make 5 toys.

2 Tom has £20

Melon
£2 each

He buys 7 melons.

$$7 \times 2 = 14$$

$$20 - 14 = 6$$

How much money does he have left?

Tom has £6 left.

3 Circle 3 numbers that sum to 12

6 5 4 3 2 1

6, 5 and 1
6, 4 and 2
5, 4 and 3
