

Funky Fraction Function Machine

The improper fractions will enter the function machine. Shade them to find out which mixed fraction will come out.

The first one has been done for you!

1. $\frac{11}{3}$	     	1. $3\frac{2}{3}$
2. $\frac{14}{3}$	     	2. _____
3. $\frac{7}{4}$	     	3. _____
4. $\frac{21}{4}$	     	4. _____
5. $\frac{29}{5}$	     	5. _____

Funky Fraction Function Machine - Answers

The improper fractions will enter the function machine. Shade them to find out which mixed fraction will come out.

The first one has been done for you!

1. $\frac{11}{3}$	     	1. $3 \frac{2}{3}$
2. $\frac{14}{3}$	     	2. $4 \frac{2}{3}$
3. $\frac{7}{4}$	     	3. $1 \frac{3}{4}$
4. $\frac{21}{4}$	     	4. $5 \frac{1}{4}$
5. $\frac{29}{5}$	     	5. $5 \frac{4}{5}$
