

Polar Bear

Polar bear, polar bear

How do you keep clean?

You always seem to stay so white.

No matter where you've been.

My mummy scrubs me every night

To wash the dirt away,

Somehow it all comes back again

When I go out to play.

Polar bear, polar bear,

Do you ever bath?

I seem to get so dirty

Just walking up the path.

I wish I was polar bear,

So then every night

If someone tries to bath me

I'd growl at them and bite!
