

Here is the words game again Butterflies.

But I have changed a few words!!

1 a	2 mum	3 like
4 am	5 The	6 and

If you have a dice that's great. But if you don't have one, don't worry. Get an old Christmas card and cut it into 6 bits. Write the numbers 1,2,3,4,5 and 6 on the bits. Turn them over. Move them around to mix them up. Then turn over a card to find your number!

- Throw the dice (or pick a card)
- Find that number
- Say that word
- Throw the dice again
- Keep going until you have all the numbers
- You could copy the word down if you like
