

Remember the game we played with the frog who liked to sneak something from my plate? Frog isn't here today but you can still play the game. It's a really good game for improving your memory!

Look carefully at the plate. Look **really** carefully! How many items are there? Say the name of each item out loud! How many of these items will you remember?? Look away from the screen. Now.... See if you can remember the 3 items...**No peeking!!!** Now try this one- **it's got 4 items!!**
