

We're going to play the game with the frog  who liked to sneak something from my plate again! Frog **still** isn't here but you can play the game without him. It's a really good game for improving your memory!

Look carefully at the plate. Look **really** carefully! How many items are there? Say the name of each item out loud! How many of these items will you remember?? Look away from the screen. Now.... See if you can remember the 3 items...**No peeking!!!**

Now try this one- **it's got 4 items!!**
