

Forces and the Effects of Forces

We are learning to classify forces.

A large, yellow, multi-pointed starburst shape with a thick black outline, centered on the page. It serves as a background for the text 'What is a force?'.

What is a force?

The three types of force

A **push** force

A **pull** force

A **collision** force

What do forces cause?

Forces make objects **move**

Forces make objects **stop**

Forces make objects **speed up**

Forces make objects **slow down**

Forces make objects **change direction**

Forces make objects **change shape**

Which force is working?
What change is happening?
