

Water cycle

Paste the labels you have cut out from 'Water cycle 1' in the correct places on this diagram of the **water cycle**.

A glue symbol () on the diagram shows you where a label should be pasted. When you have finished, ask your teacher if you can display your work.

THE WATER CYCLE

COVER THESE INSTRUCTIONS WHEN PHOTOCOPYING.

Notes for the teacher

This sheet and 'Water cycle 1' can be used at any time, or in conjunction with the extension task on page 47. Enlarge this page to A3 size before use.
