

Weekly Overview

Dear parents and pupils,

We have collated some wonderful activities for our P7 pupils. Please see the list below as a guide to help support you through this week. Please do not feel you must complete these activities all in one day but instead allow your child to complete a variety of activities throughout the week. We would love to see some pictures of your home learning so please feel free to send them to

Rm 13 Mrs McKnight - lmcknight474@c2kni.net

or

Rm 14 Mr Ryden - dryden451@c2kni.net

If you have any questions or queries about any of the home learning tasks then please do not hesitate to contact us.

Many thanks

Mrs McKnight and Mrs Ryden

Please encourage your child, where possible, to go outside to get some fresh air. Kicking a ball in the garden, a walk in the park adhering to social distancing suggestions are all key to keeping us healthy and allowing the opportunity of a digital detox.
