

Prepositions 2

A **preposition** is a word that shows a relationship between a noun and another word in the sentence.

For example:

The girl walked through the rusty door.

My reading book is under yesterday's newspaper.

We told ghost stories during the evening of the camp out.

Task 1 ☐

Copy out the sentences below (in your **NEATEST** handwriting) and underline (with a **RULER**) the preposition.

Finally, I found the book behind the sofa.	I sneakily looked at the clock and noticed that it was after my bed time.
You told me there would be an ice-cream van around the next corner.	The young girl could barely make out her house beyond the tree.

Task 2 ☐

Choose **4** different objects that are in the room where you are doing your homework. In detail and using **prepositions**, describe where these objects are. Present your work like this:

Object 1: Pencil case

Location: My pencil case is inside my large flowery bag which has a bright pink strap.

Prepositions used: inside
