

Weekly Overview: Week 6 (8th – 12th February)

Dear parents and pupils,

Well done for making it this far. Only one more week until half term. We have some wonderful activities planned for you all this week. Please do not feel you must complete these activities all in one day but instead allow your child to complete a variety of activities throughout the week.

We would like to see at least 2-3 photo samples of pupils work from the week and would like these sent via the seesaw app.

If you require any assistance in relation to this, please feel free to contact us as below:

If you have any queries about any of the home learning tasks the please do not hesitate to contact us.

Many thanks

Mrs McKnight and Mrs Ryden
