

Match the words in the boxes to the correct pictures to tell Baboushka's story.

Baboushka gave them a meal and they told her that they were following a star to find a new-born baby king, a holy child called Jesus. They were taking him presents of gold, frankincense and myrrh.

Baboushka was sad that she did not find the baby Jesus. She still looks for him all around the world and leaves a gift for each child as she travels.

After thinking all night Baboushka put on her cloak and set off looking for the three kings. Everywhere she went she asked if anyone had seen them but she never found them or the baby Jesus.

Baboushka had the tidiest house in the village. She was always cooking and cleaning, sweeping and, polishing and painting.

One day three kings arrived in the village and Baboushka invited them into her house.

The three kings asked Baboushka to come with them, but she told them that she was too busy.
