- 1) List the subjects which Evangeline has which we also have.
- 2) What subjects on Evangeline's timetable do we not have?
- 3) What time does Evangeline's school start and end?
- 4) How much longer is this than our school day?
- 5) Draw out a timetable of your normal week in school.
- 6) From the video about Evangeline, what are the main differences between her school and our school?
