

STAR WARS

REY

Brave warrior

Rey is a Jedi with a mighty reputation. She is determined to fight the First Order. Rey lives on the planet Ajan Kloss with her friends in the Resistance.

Things you need to know about Rey

- 1 General Leia Organa has passed on her own Jedi knowledge to Rey.
- 2 Rey has a small library of ancient Jedi texts that she uses to study the ways of the Force.
- 3 Rey keeps many mechanical tools in her workbench at the Resistance base.
- 4 Rey develops her Force skills with training remotes – small droids with inbuilt blasters. They are much like the ones Luke once used in his training.
