

WW2 Art Lesson – The Blitz

This week we are going to have a go at creating a scene from the Blitz.

You can use felt tips, crayons, colouring pencils, chalks or a mixture of them all.

If you prefer you can use a paint package on your computer to make a picture of a spitfire.

Start by drawing buildings at the bottom of your page. Then colour them in black.

Decide where you are going to place your search lights and draw them in in pencil. You can colour around these or paint them in at the end.

Now for the sky. Keep the sky close to the buildings yellow and orange and as you get to the top of your page mix in some red. Use black to add in some planes.

Below are some ideas to help. Have fun and please send us pictures of your amazing work!
