

Reflection Triangles

Reflecting is when we think back on things that have already happened or things we have already done. When we think of these things, we ask ourselves questions such as:

Was that fun?

How did that make me feel?

Which parts did I find tricky?

Was there anything I could do differently next time ?

Use words and drawings to jot down your reflections for this year. After completing all the triangles, cut along the solid lines and fold along the dotted lines. Place glue on the “Stop. Think. Jot.” tabs and put your Reflection Triangles together. What 3D shape will they create?
