

Weekly Overview: Week 8 (1st – 5th March)

Dear parents and pupils,

It's World Book Week! We have some wonderful activities planned for you all and can't wait to see and hear all about your learning. Please do not feel you must attempt these activities all in one day but instead allow your child to complete a variety of activities throughout the week.

We would like to see at least 2-3 photo samples of pupils' work from the week and would like these sent via the Seesaw app.

If you have any queries about any of the home learning tasks, please do not hesitate to contact us.
