

Weekly Overview: Week 7 (22nd -26th Feb)

Dear parents and pupils,

Welcome back! We hope you have had a restful and relaxing half term break and are looking forward to this weeks home learning activities.

We have some wonderful activities planned for you all this week (including a very exciting competition for Rm13 and Rm14). Please do not feel you must complete these activities all in one day but instead allow your child to complete a variety of activities throughout the week.

We would like to see at least 2-3 photo samples of pupils work from the week and would like these sent via the seesaw app.

If you require any assistance in relation to this, please feel free to contact us as below:

Rm 13 Mrs McKnight -lmcknight474@c2kni.net

Rm 14 Mr Ryden -dryden451@c2kni.net

If you have any queries about any of the home learning tasks the please do not hesitate to contact us.

Many thanks

Mrs McKnight and Mrs Ryden

Literacy

- **Writing:** Activities Link: <https://www.victoriaparkprimaryschool.co.uk/writing-8/>
- **Grammar & Punctuation:** Monday – Thursday Activities Link: <https://www.victoriaparkprimaryschool.co.uk/grammar-and-punctuation-5/>
- **Spellings:** <https://www.victoriaparkprimaryschool.co.uk/spellings-18/>
- **Handwriting:** <https://www.victoriaparkprimaryschool.co.uk/handwriting-1/>
- **Reading:** Bug club - suggested reads, 1- 2 books per week. Pupils have been allocated a selection of books by their class teacher and can complete interactive guided reading activities and games through the app based on the books they read. Earn coins and rewards daily.
- **Listen:** David Walliams free audio stories online: <https://www.worldofdavidwalliams.com/elevenses/>
Harry Potter at Home <https://www.wizardingworld.com/collections/harry-potter-at-home>

Numeracy

- **2D shape:** activities and interactive videos. Please watch video tutorials before allowing pupils to complete activities. <https://www.victoriaparkprimaryschool.co.uk/2d-shapes-7/>
- **Corbett Maths:** 5 a day mental maths activities and challenge <https://www.victoriaparkprimaryschool.co.uk/corbettmaths-5-a-day-20/>
- **Maths Facts:** <https://www.victoriaparkprimaryschool.co.uk/maths-facts-13/>
- **Maths with Parents:** sign up to the correct class using the links and guidance below to view video explanations & activities:
Please watch video tutorials before allowing pupils to complete activities.

WAU

P7 Step Challenge

Mrs McKnight and Mr Ryden have set P7 classes the challenge of completing a in a step challenge from Monday - Friday (following the social distancing guidelines of course!).

P7 adore the daily mile and I know you must all be missing it.

👉 Each class member, including their teacher, will have to collect 2000 steps in order to complete a marathon! Howeverthis is a competition and we don't want to just stop at a marathon. We would love to collect as many steps as possible from Monday 9am- Friday 2pm to see whether Rm13 or Rm 14 are victorious at the end of the week. 👉

👉 This can be done anywhere - in the kitchen on some stairs, stepping in your back garden in a safe outdoor space, maybe even in your PE kit. 👉

🕒 You can count your steps using a Fitbit, smart watch, on the health section of your mobile phone or by downloading any of the free step counter apps 📱

We would love to see photos 📷 or videos 📹 of you taking part so please send these via seesaw or email to your teacher.

1. Get your step counter ready
2. 2000 steps each (at least)
3. Send a picture to your teacher of yourself and of your step count each day!

Who's class will win the race?

🏆 Good luck P7 🏆
