

Starfighters

- 1 (a) Make starfighter pictures. Mark these points on the grid and join them, in order, with straight lines.

First starfighter (2, 7) (1, 7) (1, 8) (0, 9) (2, 9) (3, 8) (13, 8) (17, 6) (12, 6) (11, 5) (4, 5) (5, 6) (3, 6) and back to (2, 7)

Second starfighter (11, 1) (6, 0) (7, 1) (2, 1) (3, 2) (2, 5) (4, 3) (6, 4) (9, 4) (11, 3) (12, 3) (15, 2) (12, 1) and back to (11, 1)

- (b) Colour the starfighters and write a name for each.

- 2 Draw your own starfighter on the grid below.
List its co-ordinates, in order, on a piece of paper.
Give this to a friend to draw the starfighter on squared paper.
