

Weekly Overview: Week 5 (1st – 5th February)

Dear parents and pupils,

We hope you have had a successful lockdown learning experience thus far. We have some wonderful activities planned for you all this week. Please do not feel you must complete these activities all in one day but instead allow your child to complete a variety of activities throughout the week.

We would like to see at least 2-3 photo samples of pupils work from the week and would like these sent via the seesaw app.

If you require any assistance in relation to this, please feel free to contact us as below:

Rm 13 Mrs McKnight - lmcknight474@c2kni.net Rm 14 Mr Ryden - dryden451@c2kni.net

If you have any queries about any of the home learning tasks the please do not hesitate to contact us.

Many thanks

Mrs McKnight and Mrs Ryden

Mental Health Awareness Week

This week is Children's Mental Health Awareness week. It is important that our boys and girls remember that each one of them is unique and that we all have something to celebrate about ourselves! The theme this year is EXPRESS YOURSELF. We have decided that this week we would like the children to do the creative and fun tasks that we have provided - instead of the literacy work already planned for the week. Every day there will be 'A Song for the Day' & 'A Thought for the Day' and this will involve an adult engaging with their child and encouraging them to EXPRESS their thoughts and feelings. There will also be a choice of follow up activity depending on the age/ability of your child. Please send us photos of your work to class SeeSaw accounts.
