

Week 3 Ladybirds

Welcome to week 3 of home learning. This week we are looking at subtraction. Again, we are going to use our known number facts to help us. We are going to look at ordering two digit numbers and begin to think about solving word problems.

Example: subtracting a one digit number from a two digit number 25

$$- 3 =$$

If I know $5 - 3 = 2$

Then I know $25 - 3 = 22$

Example: Subtracting tens

$$50 - 30 =$$

If I know $5 - 3 = 2$

Then I know

$$50 - 30 = 20$$

Start each day with a mental maths session:

See the Youtube channel called Scratch Garden to see fun counting in 10's, 5's 2's and 3's songs.

10s- https://www.youtube.com/watch?v=Ftati8iGQcs&list=PLM95cb_Szq3am4n6jJw127QbBlDivZgIc

5s- <https://www.youtube.com/watch?v=EemjeA2Djjw>

3s- https://www.youtube.com/watch?v=I_cn87hOCDM

2s- <https://www.youtube.com/watch?v=GvTcpfSnOMQ>

1. Use tap and clap rhythm to count in 10's to 100
2. Use tap and clap rhythm to count in 5's to 100
3. Use tap and clap rhythm to count in 2's to 50
4. Use tap and clap rhythm to count in 3's to 30

Use your 100 grid if you need some help <https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Monday 18th January We are learning to order numbers	This is an ordering game. Go into the ordering section and the good thing is that you can choose different levels. https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering Ordering Numbers Worksheet Order numbers from smallest to largest. Remind the children to look at the tens first and then if they are the same compare the units. Write down the answers. Just for fun- Catapult game https://www.transum.org/software/Catapult/
Tuesday 19th January We are learning to subtract a single digit number using our known facts	Have a look at the PowerPoint on how to use a number line to subtract. Complete one worksheet from the three provided. Just for fun - Play shark numbers https://www.ictgames.com/sharkNumbers/mobile/index.html
Wednesday 20th January We are learning to subtract a multiple of 10	Watch this tutorial with your child before you start. Your child can use this to help them answer the worksheet (If I know... Then I know.....). The worksheet also shows them how to use a number line if they prefer this method. https://www.youtube.com/watch?v=C6AjhitepyU Do one of the worksheets provided in the set of four.
Thursday 21st January We are learning to tally	Before Christmas we had started to look at word problems. Read through these questions with your child and highlight the important information. Solve the problems together and record the answers in a simple sentence e.g. There are 2 buses left. Complete Thursday's word problem worksheet.
Friday 22nd January We are learning to solve problems	Spaceman Sid worksheet. The first one has been done for you. Just for fun Play https://www.ictgames.com/mobilePage/funkyMummy/index.html
