

Week 8

Bees, Caterpillars and Ladybirds

Hello boys and girls and kind adult helpers. Welcome to week 8 of our home learning programme. This week we will be looking at 2-D and 3-D shapes. On Monday and Tuesday the children will revise some 2-D shapes and their properties. On Wednesday they will be sorting 3-D shapes they find around the house. They will need adult supervision for this. On Thursday they will continue to explore the characteristics of 3-D shapes. We would love to see photographs of their sorting and work.

Monday 1st March	<i>Monday Watch video https://www.bbc.co.uk/bitesize/topics/zjv39j6/articles/ztpwdmn Monday Shape Worksheet</i>
Tuesday 2nd March	<i>Tuesday Properties of 2-D shapes PPT Tuesday worksheet – matching descriptions to shapes</i>
Wednesday 3rd March	<i>Watch 3-D shape sorting video. Remember to ask a kind adult to help you choose every day shapes to sort. https://classroom.thenational.academy/lessons/describing-and-sorting-3d-shapes-6mtk2r?activity=video&step=1</i>

Thursday 4th March	<i>Watch 3-D video – exploring shapes.</i> https://classroom.thenational.academy/lessons/exploring-the-characteristics-of-3d-shapes-cmtp4e?activity=video&step=1 <i>See Thursday's PPT and independent task.</i>
Friday 5th March	<i>Spelling and number test, again mixing up the sums.</i> <i>Play the Pienado shape game</i> https://pbskids.org/oddsquad/games/pienado/
