

Playwork Upskilling Academy

Qualifications to help you gain a better job in Playwork.

Level 2 Playwork is suitable for members staff who are new or recently new to the Playwork sector.

Level 3 Playwork is for those with a level of responsibility, such as a supervisor, although our team can chat to you about this in more detail.

Level 5 is suitable for those in a managerial position and wishing to progress in their career.

To gain a place, you must have the support of your employers and confirmation will be required that career progression opportunities are available as a result of this academy.
