

P7 Maths Facts (week beginning: November 1st)

Prime Numbers

This Corbettmaths Primary video explains clearly what prime numbers are if your child is unsure:

<https://corbettmathsprimary.com/2018/07/17/prime-numbers-video/>

The 25 prime numbers below 100 are:

2	3	5	7	11	13	17	19
23	29	31	37	41	43	47	
53	59	61	67	71	73	83	89 97
