compare it to what you would take today. Ms Dunn has left her answers for you to see.

Outdoor Classroom

Shelters for your toys

Gather materials you find on the ground to build tiny dens for your favourite toys. Don't pull leaves off trees, break off branches or flowers which are growing. Look around at what is already available. This makes your den unique and creative. Add moss for roofs, tie sticks together to make a tent like structure.

Friday this week. If you can keep up try him a second day this week as well!
