Science Challenge

Let's Investigate

Using **Spaghetti** and either **Midget Gems**, **Jelly Babies** or **Wine Gums**, build the **highest** and **strongest tower** you can.

Measure it and **record** how high and wide it is.

Remember it must stand by itself so you will have to make sure it has a strong **FOUNDATION**.

Send us a picture of your finished tower.

Joe Wicks is back! Try one of his sessions at 9am on Monday, Wednesday or Friday this week. If you can keep up try him a second day this week as well!

Music

During WW2 a popular song was "Run rabbit run".

https://www.youtube.com/watch?v=0uWL1O9r_mI

Have a listen to it and try singing along. The words are on the clip.

Brain Breaks (in Art, PE, Music)

Go to Brain Breaks section of Home Learning in P3&P4 The World Around Us. Click on Bye Bye Bye. Turn up the sound and get dancing!

Now you have a choice of worksheet to complete. You can either complete the Word search or colouring page. Enjoy.
